Sir,

In forwarding the office file on the subject of the grant of mileage allowances to Sub overseers not in actual charge of Sub Divns and Taluk Inspectorships I have the honor to request you will be so good as to obtain the sanction of Govt. to the necessary provision being made for passing such and other allowances (as suggested by the Examiner P. W. Accts in his note No. 1836 of 14 Oct. 99) in

in the new edition of the Mysore Service Regns which it is understood is under preparation by the Comptroller of Mysore. It seems nothing but fair that when these men are ordered or obliged to make official journeys (vide para 3 of Govt. Order No. 767 of 13-3-99) that they should be granted mileage for such journeys, which they cannot possibly perform on their small ordinary permanent allowances.

the Deputy Commr. or

entitled to travelling

journey beyond their

ceeding under proper author

In my humble opinion the Comptr. office have nothing to do with passing the travelling allowance bills referred to in para 2 of Govt. Prof. of the 27th Aug. /00. Article 745 M.S.R. seems to apply hard on these Sub Masters whose jurisdiction extends generally over a whole District & who get no a horse allowance of only 8 Rs. KK 27/2/01
